

Thinking Out Loud

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love
Will your eyes still smile from your cheeks
Darlin I, will be lovin' you
Till we're seventy
And baby my heart
Could still feel as hard at twenty three
And I'm thinking about how
People fall in love in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every sin-gle day
And I just wanna tell you I am

So honey now
Take me into your lovin' arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are

When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same

Cos honey your soul
Could never grow old
It's evergreen
And baby your smiles
Forever in my mind and memory
I'm thinking about how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into your lovin' arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
Thinking out loud
Baby we found love
Right where we are

Baby now
Take me into your lovin' arms
Kiss me under the light of a thousand stars
Oh darling
Place your head on my beating heart
Thinking out loud
Baby we found love right where we are
Babe we found love right where we are
